YOUNG KENNEL CLUB MEMBERS' HANDLING CLASSES

Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2023. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. All points are reset to 0 on 1st January each year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the complete tab.

Classes for 6 - 11 years, 12 - 17 years and 18 - 24 years

13. **HARSH HANDLING:** Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. 16. **DOG IN VEHICLES ON HOT DAYS:** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. **HEALTH & WELFARE OF DOGS:** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of the Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. **NOT FOR COMPETITION:** Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. **SCHEDULE AMENDMENTS:** No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. **RULES & REGULATIONS:** The Show will be held under Kennel Club Rules and Regulations. All rules, definitions or instructions of the nature of Rules and Regulations printed for convenience in other parts of this Schedule shall be deemed to be regulations of the Show and shall have the same effect as if they formed part of these Regulations.
21. **RECEIPT OF ENTRIES:** If acknowledgement of entries is required, an addressed, stamped card with "Receipt" written on the reverse should be enclosed.
22. **ONCE ENTRIES HAVE BEEN RECEIVED THEY ARE NON-REFUNDABLE.**

28. **GANGWAYS:** Gangways must be kept clear at all times. Any obstructions, including dog boxes, left in gangways will be removed by the Show Management.
29. **ORDER OF JUDGING:** A provisional order of judging will be published in the canine press in advance, but this is subject to change by the Show Management.
30. **PHOTOGRAPHY & VIDEO RIGHTS:** The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission to take photographs only for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the challenge certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class, i.e. **Tuesday, 22nd March 2022.**

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) **Withdrawal**

The dog may be withdrawn from competition subject to the conditions of Regulation F.(1).19. (2) Transfer

- a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
- b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct breed, colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
- d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

The breeder enters the class and then arranges which dogs are exhibited on the day of the show (from those dogs duly entered for exhibition in another class at this show). Please clearly state the name and affix of the registered breeder(s). Entries will not be taken on the day of the show. Teams will be awarded points/prize money in the KC Breeders' Competition as follows: Points 1st; 30; 2nd 15; 3rd 10; 4th 5. Prize Money 1st Non ABS Prize Fund £20; ABS Prize Fund £25. Please note that Assured Breeders will be credited with a higher prize value. These points will be recorded in the Kennel Club Breeders Competition record book through the year. The minimum qualification for the Crufts final will be 50 points, with a maximum of 40 finalists including the winning teams from the European and World Dog Shows' breeders competition. Our Dogs will collate the points and publish a leader board through the year. **Please Note: Dogs which take part in the Breeders' Competition, but are not entered in the show, are required to have a completed entry form. Owners of these dogs must attend the Secretary's office to complete the entry form.**

YKC MEMBERS' STAKES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying stakes class. Dogs must be on the Kennel Club Breed register to compete in a YKC stakes competition. The YKC method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. If a member and dog combination accumulate 30 points or more, they will qualify for Crufts. Points will be allocated for the Dog and Handler pairing. All points are reset to 0 on 1st February each year. All pedigree dogs are eligible to take part provided the dog is registered on the Kennel Club Breed Register. The dog must be registered; a. Solely or jointly in the member's name or b. In the name of a close member of the family (i.e a group of people related by blood or marriage) and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted - the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. Members must be aged 6-24 years (members 6 years and up to, but not including 25th birthday). Please note that membership of the YKC terminates on a members 25th birthday. Therefore if a member is aged 25 years or over by the first day of Crufts they will be unable to compete in any YKC class. Please keep this in mind when entering qualifiers throughout the competing year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the compete tab.

YKC MEMBERS' HANDLING CLASSES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2022. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. All points are reset to 0 on 1st January each year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the compete tab.

EYE TESTING

Mr Ben Blacklock BVSc DipECVO MRCVS will be in attendance on each day of the Show.

Testing under the KC/BVA Scheme for:

- 1) Progressive Retinal Atrophy,
